

the **ecodirectory**

Promote your ECO Business, Product or Service

Biodynamics Permaculture

The ECODirectory provides an immediate and easily accessible resource of products and services for sustainable living

Alternative Energy Designers

Visit the ECODirectory online at

www.eco.com.au

Architects Water Products

Benefits

- Wide exposure to a growing and significant target market
- Networking opportunities with like minded businesses
- Integrated marketing solutions which counter dominance of traditional products
- Client enquiry and referral opportunities from ECOproperty Pty Ltd and the Eco Real Estate Australia Network
- National and international promotions
- Integrity of products and services through eco statements of philosophy and commitment
- Additional marketing and networking opportunities through ECOproperty's other services including the ECOproperty Update, ECO Buyers Guide and the Sustainable Living Mag&zine
